BLISS LAB @ LSU NEW ORLEANS

Volunteers Needed

We are currently looking for older adults to participate in a study to identify the brain biology of **FRIENDSHIPS** & **SOCIAL CONNECTIONS** as we age.

Are you:

- Between 55 and 85 years old
- Ok with watching TV
- Ok with getting an EEG
- Ok with a fingerprick
- Have a free morning or afternoon
- Excited to help with neuroscience research.

BENEFIT:

- Gift to offset your time and efforts
- Moving brain science forward!

If you think that you are are willing to help us with our study
